

GOROKOKO

Ingeniously performed with a French or Italian accent, our aristocratic pair promenades through baroque gardens and castles, always ready for a lively dance, always on the lookout for a new flirt.

Waited on hand and foot by two clumsy, temperamental servants who are constantly occupied with making the public cheer, organizing numerous rendezvous and spreading all sorts of gossip.

Extremely amusing and – untypical for ZEBRA – with speech.

QUICK FACTS

Walk Act, Animation: 2 – 4 stilt artists

Carnevale di Venezia variation with venetian masks
